## SIXTH SENSE (NEWSLETTER)

Something new we are trying this year is a sixth grade newsletter. This will be sent out on the fourth Monday of the month; this month's newsletter was sent digitally yesterday. We will include highlights from the hallway, photos, and tips for you as a parent. Watch for special editions that may roll out to address any particular issues we want to share. We hope this is a way for you to take a glimpse inside of our classrooms and your student's day.
